

MALEO SLIK

MALEO SLIK is a web based application that handles SLIK regulatory reporting using advanced technology in order to fulfill your organization's duty and compliance.

Web Based

Easier to enhance.
Enabling multiple user access

Multiple Source Input

Able to map data from multiple data source

Flexible

Allow you to independently manage updates from regulator. Feed data manually on demand, or set an automatic schedule.

Data Replacement & Cleansing

Format and cleanse your data with parameterized UI. Create and enable predefined rules for your data.

Customizable

Personalize the application to your company profile, logo, and color theme

Partial Data Fixing

Support to process partial set of invalid data returned from OJK.

Ensure Data Validity

Provide data validation feature before sending the data to regulator.

Data Correction On The Fly

Correct data easily using form & excel based correction feature.

Advanced Technology For Your Organization Duty
